

# Meet Cross Walk!

**Melody Espey**-Is married and has two grown sons and three grandchildren. Melody and her husband John have been in the restaurant business for the past 40+ years and are well known throughout southeastern Colorado for *John's famous southern smoked barbeque!* They are both retired and live in Colorado City but John still fires up the "Old Smoker" for private parties or special community benefits.

Between concerts and when time allows they enjoy traveling to see their family in Mississippi. Melody is very tender-hearted and her love for the Lord flows, which is evident as you watch her present her music! She sings soprano lead and alto in the group.
