

Meet Cross Walk!

Deede Lowry-Is married to Tanky and they have three children and eight grandchildren. She currently works for Sangre de Cristo Hospice where she is the Director of Volunteer Services. Her job allows her to use her gift of 'caring for others' every day. The "over 100 volunteers" are wonderful and her work is a joy. Working for hospice

and serving the patients and their families reminds her every day how many things there are in life to be thankful for! She sings low tenor, sometimes alto and at times low-soprano. Singing is her "dessert of life"!

Tanky Lowry-The only man in the group! Tanky loves to sing; in fact he grew up leading the singing in his home church at age 9! Tanky has always loved music and performing! He continued through high school and college, active in the performing arts. He is definitely at home on stage and doesn't know a stranger. Tanky's father was fatally injured in an automobile accident when he was 19 years old. Again, through sorrow and loss, God has given him the compassion and ability to help others in similar situations to handle emergencies. He has worked as a Paramedic for the past 30 years and has always felt that God has given him the gift of helping others.

Tanky's greatest love after God, is his grandchildren! He loves his kids and grandkids... and do they love him!!!! He is the greatest Papa Tanky in the world! Tanky also loves to work on genealogy and has traced many of our family lines. Tanky sings bass, tenor and low lead in the group.
